\* VAT is zero rated for orders from EU schools outside Austria which are registered for VAT provided that we are given your VAT number. There is no VAT to pay on orders placed outside the EU.

Licence restriction: Purchase buys a school site licence. The product may be installed freely in school including on the school's password-protected Intranet site or learning platform but may not be installed on an Internet site or other storage device that is accessible by people who are not members of your school community. For more information please read the full licence agreement on our website.

PowerPoint resources require Microsoft PowerPoint 2003 or later (not supplied!), or the free Microsoft PowerPoint viewer.

Easilyinteractive.com is a business based and registered in Salzburg, Austria. More information can be found on our website.
