

GCSE Business Studies PowerPoint Resource Packs

Do you want to make better use of Interactive Whiteboards or data projectors, but don't have the time to prepare your own resources? We have spent hundreds of hours doing it for you!

These extensive PowerPoint resource packs comprise **over 1,200 slides and 250 activities**, as well as spreadsheets and student worksheets. They are **fully editable**, bang up-to-date, written by an experienced Head of Business Studies and very, very comprehensive. But don't just take our word for it...

PowerPoint Resource Packs

The seven resource packs can be bought individually or together:

1. Introduction to Business Studies
2. Ownership and Control of Business
3. Marketing
4. People in Business (HRM)
5. Production (Operations Management)
6. Accounting and Finance
7. External Influences

...here's what the TES said about this resource pack:

"This series of packs deliver what they promise: GCSE business studies specifications for all examination boards are **comprehensively** covered through PowerPoint presentations and interactive worksheets and games. The **astounding** amount and range of **excellent** content will free up a lot of preparation time and **promote active and interesting teaching and learning.**"

* Licence restriction: Purchase buys a school site licence. The product may be installed freely in school but may not be installed on an Internet site or other storage device that is accessible by people outside your school. For more information please read the full licence agreement on our website. Requires Microsoft PowerPoint 2003 or later (not supplied!), or the free Microsoft PowerPoint viewer. † Within one month of purchase

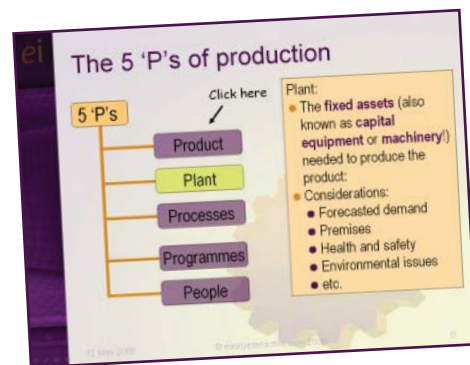

PowerPoint Resource Packs for the new Business Studies AS Level

Following the highly successful launch in 2007 of our *GCSE Business Studies PowerPoint Resource Packs* we are excited to launch a series of packs written for each of the new **A-Level Business Studies specifications**.

These brand new, fully interactive and bang up-to-date PowerPoint presentations will save you hours of preparation time as you look forward to the new A-Levels.

The A-Level resource packs are...

- ☑ Specifically written for each specification, offering 100% coverage (specification links included)
- ☑ Extremely comprehensive - Over 1,000 slides and 300 tasks
- ☑ Written by an experienced Head of Department
- ☑ Interactive, engaging and relevant – lots of tasks, buttons and links
- ☑ Fully editable – leaving you totally in charge of your entire lesson
- ☑ Ideal for differentiation - packed with extension tasks to ensure that all students are challenged.
- ☑ Totally compatible with all Interactive Whiteboards and data projectors
